Public Hearings are included as part of a Regular Council agenda and governed by the provisions of the *Local Government Act*.

The purpose of **Public Meetings** is to provide members of the public an opportunity to make representations to Council regarding various issues and/or proposed changes that do not require a Public Hearing, such as a Development Variance Permit or Temporary Use Permit. North Vancouver residents can participate in the civic process of a Public Meeting that may affect their community, property and interests.

All persons who believe their interest in property is affected by a proposed bylaw or permit are afforded a reasonable opportunity to be heard, voice concerns or present written submissions regarding matters contained within the bylaw/permit.

All written submissions and representations made at a Public Hearing or Public Meeting will form part of the official public record. Minutes of the Public Hearing/Public Meeting and a video recording of the proceedings will be posted on the City's website at cnv.org.

To provide written input: All written submissions must include your name and address. If this information is not provided, it cannot be included as part of the public record. PUBLIC HEARING / PUBLIC MEETING GUIDELINES – Continued

Comments from the public must specifically relate to the proposed bylaw/permit or subject of the Public Hearing/Public Meeting. Speakers are asked to avoid repetitive comments and not to divert to other matters.

Speakers will be asked to confirm their name and address for the record and will be provided one 5-minute opportunity to present their comments. Everyone will be given a reasonable opportunity to be heard and no one should feel discouraged or prevented from making their views known.

Procedural rules for the conduct of a Public Hearing/Public Meeting are set at the call of the Chair. Council's main function is to listen to the views of the public regarding the change of land use in the proposed bylaw/permit. It is not the function of Council to debate the merits of an application with speakers. Questions from members of the public and Council must be addressed through the Chair.

Once the Public Hearing/Public Meeting concludes, no further information or submissions can be considered by Council.

Following adjournment of the Public Hearing/Public Meeting, the Regular meeting reconvenes and the bylaw/permit is discussed and debated by members of Council, followed by consideration of third reading of the bylaw or approval of the permit.
