DIS Date: September 6, 2022
DIS Time: 6—8pm
DIS format: virtual Zoom meeting
Number of Attendees: 3 people

The main concern from the participants were:
parking and how the preservation of privacy has been addressed in the design of the building.

At the virtual DIS meeting on September 6, 2022, two different groups and one individual person attended the meeting.

All their concerns were addressed and discussed.

We have attached the two development proposal comment forms which we have received.

The third individual had only verbal comments.

The group of who presented the project consisted of the following persons:

Applicant - Karl Wein
Architect - Andrew Igel
Landscape architect - Michael Patterson
Planner - from the city
Linden Maultsaid-blair
Developer - Gurdeep Kainth
