Regarding 141 West 14<sup>th</sup> Street Development Information Session (DIS) Report

I made a “mail drop” to all of the addresses specified by Staff on Saturday morning October 21<sup>st</sup>, 2023 from 10:00 to 11:00. The mail drop requested that responses to the notification be sent to my office by November 17<sup>th</sup> 2023 so that they could be forwarded to Staff.

I received none.

The City had amended the requirements for an upcoming DIS. Included in that was that notification in a local newspaper of the event was no longer required. To verify this I contacted the North Shore News and they verified that notice had been published.

Thank you for your consideration,  
Bill Curtis
