

NEW WARMING HUT AT THE SHIPYARDS SERVING UP HOT DRINKS THIS WINTER

CITY OF NORTH VANCOUVER, BC – DEC, 6 2022 – Looking for a warm drink and a place to relax while at The Shipyards this winter? The City of North Vancouver has opened a new Warming Hut, which will be open every weekend throughout the winter season, offering mulled wine, hot apple cider and non-alcoholic apple cider in a cozy cabin just west of the Skate Plaza, along with outdoor seating and fire pits.

“Over the holidays, we all want to fill our days with warm and cozy activities,” said Mayor Linda Buchanan. “That’s why I’m so pleased that the City is opening the Warming Hut at The Shipyards. This Nordic-style cabin setting, paired with mulled wine and other beverages, will bring holiday cheer and vibrancy to the area. I hope to see you there!”

The Warming Hut is licenced for all ages and seats 15 indoors with a staffed bar for a featured drink each day. Hot beverages can also be enjoyed within the surrounding gated outdoor seating area which accommodates 16, and includes fire pits to keep warm on winter evenings.
