

Welcome!

Eastview Park Open House

Disc Golf and
Park Improvements

Existing Conditions - Trail and Disc Golf Layout

Proposed “6 Hole” Disc Golf Layout

- **Revegetate area near removed holes - native shrubs + trees**
- **Proposed new trail alignment**

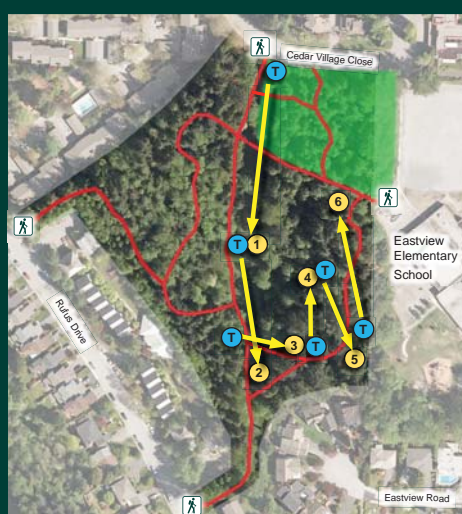

Proposed Improvements to Eastview Park

Below are options that could be implemented in Eastview Park:

1. Remove disc golf baskets #1, #2 and #9.
2. Relocate bench near the “new” disc golf Tee #1 and away from Cedar Village Close.
3. Revegetate area around the disc golf baskets #1, #2 and #9 with native shrubs and trees.
4. Add a concrete pad for the “seasonal toilet” and add a wooden surround to contain the structure and improve aesthetics.
5. Establish a trail for a direct route to Rufus Drive. Decommission a section of the trail located near the current #9 basket.
6. Revise disc golf signs to establish “hours of use” (suggested 9am to 8pm).
7. Add regulatory signage to reinforce that Eastview Park is a dog on leash park.

Eastview Park

6-Hole Disc Golf Course

Legend

- Trail System —
- Trail Head
- Tee Box (Throw Point)
- Basket (Goal)
- Disc Throw Corridor

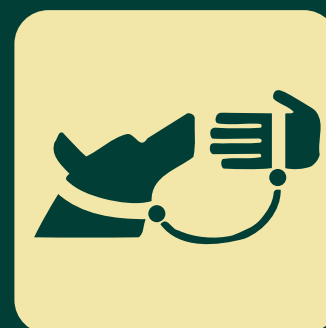

To Players and Park Users:

- watch out for flying discs!
- look before you throw your disc to ensure that no one is in your path.
Trail users have the right-of way
- **DISC GOLF HOURS = 9AM - 8PM**
- **no alcohol or smoking in the park**
Call RCMP non-emergency 604-985-1311 to report
- public washrooms are located at Kirkstone Park (Kirkstone Road)

City of North Vancouver is not responsible for injury to park users
nor for damage to personal property.
To report park concerns, please call CNV at (604) 983-7333
